The only prayer is for a direction to the respondents to effect telephone connections in accordance with Exts.P1 to P19. It is stated in the counter affidavit that the petitioners could not be offered land line connections only due to technical non-feasibility. It is also stated that no applicant from Puthurpallikkal area have been given land line connection overlooking the seniority of the petitioners. Hence, the writ petition is disposed of making it clear that while effecting land line connections, the seniority of the petitioners in the matter of applications shall be scrupulously followed. There will also be a direction to the respondents to take all earnest steps to effect service connections since the petitioners have been waiting for the connections for the last more than ten years.
